Wireless Multimedia Touchpad Keyboard

E2700

This keyboard with its integrated touchpad is ideal for the modern, interconnected living room, offering convenient control of your media PC and Smart TV directly from the couch. The minimalist, ultra-slim design will add a touch of style to your coffee table with the Fn multimedia keys providing easy, convenient, and instant access to all-important multimedia functions. What's more, the 2.4 GHz wireless connection offers maximum freedom and range.

▸ Reliable 2.4 GHz wireless connection

Carefree wireless: The proven advanced 2.4 GHz standard offers you a range of up to 10 m and 360° coverage.

▸ Ultra-slim 5.6 mm design

Slimline and rugged: The award-winning ultra-slim 5.6 mm design makes this keyboard a real eye-catcher while the brushed stainless steel housing offers stability and durability.

▸ Integrated Touchpad

No mouse, no problem: The integrated touchpad allows for convenient and easy navigation without the need of a mouse. Perfect for media center PCs or Smart TVs.
